# Welcome to the VACEplus Northeast Delta Dental insurance program

The VACEplus insurance program is provided by Northeast Delta Dental and Chamber Benefits, Inc., a subsidiary of the Vermont Chamber of Commerce Executives (VACCE) for chambers of commerce in Vermont, employer members, and their employees.

Join hundreds of member groups and thousands of employees throughout Vermont who participate in the VACEplus dental program. Although VACEplus members may see any dentist they wish, you'll get the best value from your Northeast Delta Dental coverage when you receive care from a participating network provider. Delta Dental provides the most extensive dental networks available.

- The **Delta Dental PPO™** network is more deeply discounted and provides patients with the greatest savings.
- The **Delta Dental Premier®** network is the largest in the country, with more than 154,000 dentists participating.
- The **Delta Dental PPO Plus Premier™** network, used by the VACE dental plan, offers the best of both.

## The Delta Dental Difference®

You are free to see any dentist you wish, but you'll get the best value from your Delta Dental program when you receive care from one of our PPO (greatest savings) or Premier network dentists. Of the claims we process, 93% are from network providers. The benefits of seeing a participating dentist include:

- **No balance billing** - Because participating dentists accept our allowances for services, you will normally pay less when you visit a participating dentist.
- **No up-front payments** - Participating dentists agree not to charge their Delta Dental patients up front for covered services.
- **No claims paperwork** - Participating dentists will prepare and submit claims on your behalf.
- **Direct payment** - Northeast Delta Dental pays the dentist directly, so you don't have to pay the covered amount up front and wait to be reimbursed.

## Vision & hearing discount program

A vision discount program through EyeMed Vision Care is free to all Northeast Delta Dental subscribers and their dependents. The program includes discounts on exams, lenses, frames, and more! Your hearing discount includes discounted, set pricing on thousands of hearing aids and 40% off hearing exams at convenient locations! To access the discount, simply present your Northeast Delta Dental identification card when visiting participating EyeMed providers. For more information, visit [member.eyemedvisioncare.com/deltad/en](http://member.eyemedvisioncare.com/deltad/en) and [amplifonusa.com/our-program/clinic-locator](http://amplifonusa.com/our-program/clinic-locator).

## Health *through* Oral Wellness® (HOW®)

A healthy mouth is part of a healthy life, and Northeast Delta Dental's innovative Health *through* Oral Wellness® program (HOW®) works with your dental benefits to help you achieve and maintain better oral health. Here's how to get started:

### 1. REGISTER

Go to [HealthThroughOralWellness.com](http://HealthThroughOralWellness.com)  
Click on "Register Now."

### 2. KNOW YOUR SCORE

After you register, please take the free oral health risk assessment by clicking on "Take Your Free Assessment" in the Know Your Score section of the website.

### 3. SHARE YOUR SCORE WITH YOUR DENTIST

The next step is to share your results with your dentist at your next dental visit. Your dentist can discuss your results with you and perform a clinical version of the assessment. Based on your risk, you may be eligible for additional preventive benefits!\*

*\* Additional preventive benefits are subject to the provisions of your Northeast Delta Dental policy.*

## Double-Up Max<sup>SM</sup>

### *Benefits when you need them*

Dental services can be expensive, and sometimes the annual maximum isn't enough. Members can **double** their annual maximum by earning an additional \$250 per year for use in future benefit periods. Here's how it works:

- To qualify, an enrollee must have a claim paid for either an oral exam or a cleaning during a calendar year (a focus on prevention), and their total paid claims cannot exceed \$500 during the same calendar year.
- An additional \$250 will carry over each year of qualification up to an amount equal to the original annual maximum. If, for example, the calendar year maximum is \$2,000, members can ultimately achieve a maximum of \$4,000.
- This feature does not apply to orthodontic benefits.

## VACEplus insurance program

The dental plan utilizes both the Delta Dental Premier® and PPO networks providing the largest network and greatest savings. Patients can see any dentist, however will receive additional savings when visiting participating in-network providers. Patients seeing non-network providers are responsible for any difference between the submitted charges and our allowances for non-network providers. Benefit percentages shown are based upon the actual charges submitted up to the Maximum Allowable Charge for participating dentists, or Delta Dental's allowance for nonparticipating dentists.

## Who is eligible to enroll?

Chamber of Commerce member groups that participate in the VACEplus Insurance Program are eligible as long as there is an identifiable employer who sponsors the plan, signs the joinder application, and makes payment to Northeast Delta Dental.

Employees who are active on payroll are considered eligible, including business owner(s). Eligible employees can cover their dependents. Dependents include:

- Spouse or domestic partner
- Children 25 years old or younger

Children can be covered until the end of the month they turn 26. Incapacitated children can remain enrolled regardless of age. If an employee chooses to cover one dependent, all eligible dependents must be enrolled.

## Eligibility period, terminations, benefit administration

**Eligibility period:** Employees and dependents are eligible after an eligibility (probationary) period chosen by the employer. Employers may decide when a new employee becomes eligible to enroll in the VACE dental and/or vision plans—this is called an eligibility period. Example: First of the month following one month of employment. Note: Coverage will always begin on the 1st of the month.

**Terminations:** Employees' coverage ends on the last day of the month.

**Changes:** Employees can make changes to their plan only during open enrollment, unless they have a qualifying event.

Examples of a qualifying event are: Change in marital status, birth/adoption, loss of coverage elsewhere, change in employee status.

**Benefit administration:** Enrollments, changes and terminations must be submitted in a timely manner, no later than 30 days from effective/termination date. Enrollments, changes and terminations can be made via the group admin portal. Please refer to the Group Admin Portal registration information on the VACEplus website to gain access.

All forms, benefit summaries and certificate of insurance can be found at [vaceinsurance.com](https://vaceinsurance.com).

Changes made after the 15th of the month may not be reflected until the following month. Please pay as billed, any adjustments will be reflected on the next month's invoice.
