*Read Your Dental Plan Description Carefully—This Outline of Coverage provides a very brief description of the important features of your dental benefits plan. This is not the insurance contract, and only the actual policy provisions will control. The Dental Plan Description itself sets forth in detail the rights and obligations of both you and your insurance company. It is therefore important that you READ YOUR Dental Plan Description CAREFULLY! Not all time limitations and exclusions are shown herein. Benefit percentages shown are based on the actual charges submitted up to the Maximum Allowable Charge for participating dentists, or Delta Dental's allowance for non-participating dentists.*

The Delta Dental PPO Plus Premier network arrangement offers access to the nation's largest Premier network of dentists while simultaneously offering access to PPO providers who have agreed to accept even lower fees for Delta Dental patients.

Because Delta Dental network dentists have agreed to accept a lower reimbursement for services, subscribers experience lower out-of-pocket costs and the plan maximum will cover more care. This means real cost savings.

\*Please note: this example is for illustrative purposes only and assumes any member deductible has been met. Benefit percentage and out-of-network reimbursement may vary by plans, procedures and contract setup. Please check your outline of coverage for exact benefit plan details.

# Double-Up Max<sup>SM</sup> Carryover Benefit

How to qualify:

<b>Receive preventive care</b>	<b>+</b>	<b>Use less than \$500 in dental benefits</b>	<b>=</b>	<b>\$250 will automatically carryover</b>
Northeast Delta Dental must pay a claim for either an oral evaluation or cleaning during the Calendar Year.		An enrollee's paid claims during the Calendar Year cannot exceed \$500.		The \$250 will be available the next year, or any year the patient needs it in the future.

- ▲ Each year a member qualifies, an additional \$250 will carryover.
- ▲ Members can accumulate up to Double the Maximum.

# Health *through* Oral Wellness® HOW®

Based on the concept of patient-centered oral health, HOW® provides additional preventive benefits to members who are at risk for oral disease, thereby helping them achieve better oral and overall health.

## HOW® it Works

- Dental office performs a clinical risk assessment, which is instantly submitted electronically to Northeast Delta Dental.
- Patients that score a 3-5 on a 5-point risk scale for being at risk for oral disease qualify for additional preventive care benefits.
- The additional preventive benefits can be applied immediately at that dental visit. (Ex: fluoride treatment for adults at-risk for tooth decay).
- Any additional benefits that a member receives **do apply** toward annual maximum.

### Summary of Enhanced Benefits

## Welcome to Health *through* Oral Wellness® (HOW®) Extra Benefits—No Additional Charge—For Those Who Need Them

Your Northeast Delta Dental plan includes our industry-leading Health *through* Oral Wellness® (HOW®) program at no additional charge in premium. HOW® provides additional preventive benefits to members who are at risk for oral disease, helping them to achieve better oral health.

Simple and free, HOW® works like this:

**STEP 1:**  
The dentist or hygienist performs a clinical oral health risk assessment and submits it to Northeast Delta Dental electronically and receives a score.

**STEP 2:**  
Members scoring between 3 and 5 on a five-point scale are immediately eligible for enhanced benefits.\*

**STEP 3:**  
Everyone deserves a healthy smile. For tips on oral wellness and to take a free risk assessment, please visit [HealthThroughOralWellness.com](https://HealthThroughOralWellness.com).

\*Additional preventive benefits apply toward the annual maximum and are subject to the provisions of your Northeast Delta Dental policy. Only the clinical risk assessment performed in your dental office can determine your eligibility for additional preventive benefits.

### Additional Benefits May Include:

- Extra cleanings
- Fluoride varnish or topical fluoride
- Oral hygiene instruction
- Sealants
- Nutritional counseling
- Tobacco cessation counseling

### FOR YOUR DENTIST

## Extra Benefits—No Additional Charge—For Your At-Risk Patients

Dear Dental Colleague,

Many of your Northeast Delta Dental patients who are at risk for caries and/or periodontal disease may be eligible for additional preventive benefits at no additional charge to them through the Health *through* Oral Wellness® (HOW®) program.\* (See these benefits below.) To assess their risk level, they need your help! Please complete an oral health risk assessment using the PreViser® clinical risk assessment tool. It is provided to you by Northeast Delta Dental at no charge.

Getting started is quick and easy—you can perform this assessment on your patients immediately. To create your free PreViser® account, please visit [my.previser.com/start](https://my.previser.com/start). If you have any questions please call Northeast Delta Dental's Provider Services department at 1-800-537-1715, extension 1100, and/or view a training video at [previser.com/free](https://previser.com/free).

**STEP 1:**  
The dentist or hygienist performs a clinical oral health risk assessment and submits it to Northeast Delta Dental electronically and receives a score.

**STEP 2:**  
Members scoring between 3 and 5 on a five-point scale are immediately eligible for enhanced benefits.\*

\*Additional preventive benefits are subject to the provision of your patient's Northeast Delta Dental policy. Only the clinical risk assessment performed by you can determine your patient's eligibility for additional preventive benefits.

Oral Health Condition	Benefits	Frequency
<b>Caries (Tooth Decay)</b>	Caries Susceptibility Test Child or Adult Cleaning Fluoride Varnish or Topical Fluoride Nutritional Counseling or Oral Hygiene Instruction Sealants	Once per 12 months Combination up to 4 per 12 months <sup>1</sup> Combination up to 4 per 12 months Once per 12 months <sup>1</sup> Once per 12 months <sup>1</sup> Once per 3 years <sup>2</sup>

\*Enhanced benefits are subject to change and are subject to standard policy provisions, including, but not limited to, coinsurance percentages, copayments, and plan maximums. As with all benefits, eligibility confirmation should be obtained via Northeast Delta Dental at [www.nodelta.com](https://www.nodelta.com) or from customer service at 1-800-832-5700.

<sup>1</sup> Either one nutritional counseling or one oral hygiene instruction is covered in a 12-month period.

<sup>2</sup> Sealants are a covered benefit based on caries risk assessment for unrestored primary molars and for unrestored permanent premolars, and molars—one sealant per tooth every three years.

<sup>4</sup> Combination of prophylaxis, periodontal maintenance, or full mouth debridement (once in a lifetime benefit) not to exceed four in a 12-month period.

<sup>5</sup> Either one nutritional counseling, or one oral hygiene instruction, or one tobacco cessation counseling is covered in a 12-month period.

VISION AND HEARING DISCOUNT PROGRAM

Great Savings -  
Up to 35% off eyewear  
and 40% off hearing exams!

This vision and hearing discount program is available free to all Northeast Delta Dental subscribers and their dependents.

It is very important to take care of both our hearing and our vision. Vision and hearing both play a very significant role in enabling us to form and maintain social connections, which impacts our health and happiness in many ways.<sup>1</sup> And because Northeast Delta Dental cares about your total health and wellness, we are proud to partner with EyeMed Vision Care to include discount programs to help our members enjoy all of life's sights and sounds to the fullest:

- **EyeMed Vision Care** offers access to over 71,000 vision care providers nationwide.
- **Hearing Care Program** offered through Amplifon – the nation's largest independent hearing care network.

**Hearing Wellness**

Hearing loss is more common than you might think. It affects 1 in 9 Americans<sup>2</sup> and can come on so gradually you may not even notice it. But the good news is 95% of hearing loss can be easily treated with hearing aids.<sup>3</sup>

Your Hearing Discount includes:

- Discounted, set pricing on thousands of hearing aids and 40% off hearing exams<sup>3</sup> at convenient locations!
- 3-year warranty plus loss and damage coverage along with a low-price guarantee!

It's easy! Simply present this ID card or flyer when you arrive at the location. The provider will do the rest!

**Vision Wellness**

Regular eye examinations play a crucial role in ensuring healthy vision and overall health.

- An eye examination can not only detect vision problems, but also detect the early stages of serious health problems such as diabetes and hypertension
- One in four children has an undetected vision problem that can interfere with learning according to the Vision Council of America
- Undetected eye diseases can lead to worsening eyesight and, in some cases, irreversible vision loss

**Your EyeMed Vision Care includes:**

- Discounts on exams, lenses, frames, and more
- Access to optometrists, ophthalmologists, opticians, and the nation's leading optical retailers:

**Vision Care Services:**
