Find a Dentist

Finding a dentist in your area is easy!

Find a Dentist is located in the top right corner of every page. Enter some general information about your location and network type, click Search, and a list of dentists serving your area will be displayed. Note: If you are enrolled in a Delta Dental PPO Plus Premier™ program, please be sure to search both networks.

Stretch your annual maximum dollars!

If your Northeast Delta Dental plan includes our PPO network, and if you are looking for ways to save money on your dental care and lower your out-of-pocket dental expenses, consider looking for a Delta Dental PPO™ dentist for your care.

Health *through* Oral Wellness® (HOW®)

Health *through* Oral Wellness® is a program designed to promote better oral health and overall health for Northeast Delta Dental Members. HOW® is all about YOU because it's based on your own specific oral health risks and needs. Best of all, it's secure, confidential, and absolutely FREE.

KNOW YOUR SCORE

Go to HealthThroughOralWellness.com and take the free health risk assessment by clicking on "Free Assessment" in the Know Your Score section of the website.

SHARE YOUR SCORE WITH YOUR DENTIST

Share your results with your dentist at your next dental visit. Your dentist can discuss your results with you and perform a clinical version of the risk assessment. Based on your risk, you may be eligible for additional preventive benefits.*

FOLLOW UP

Continue to communicate with your oral health care team at your visits about how to maximize your HOW® benefits.

*Additional preventive benefits are subject to the provisions of your Northeast Delta Dental policy. Only the clinical risk assessment performed by your dentist can determine your eligibility for additional preventive benefits.
